Times of Our Lives

As you glance through these pages of the Cougar Yearbook
We hope you remember each step that you took
The good ones, the bad ones—all others in between
And think of all the accomplishments you've seen!
Some of the best times of your life were spent right here
So treasure each moment and hold it dear
Gather moments while you may
Collect the dreams you dream today!
As the seasons have passed and a year has gone by—
Time has really just seemed to fly!
The laughter, the tears, the heartaches, the fears,
The winning, the losing, the people who care,
Are all just memories you'll leave behind
And slowly put them away in your mind
For memories are time that you just borrow
To spend when you get to tomorrow.

Top Five

The Top Five Students for 1978 were selected by the faculty. Each faculty member nominated one outstanding student in his subject area. The students were nominated from the Sophomore, Junior, and Senior classes and were selected on the basis of citizenship, attitude, service to the school, and academics.

Pepper Echols holds offices in the Student Council, FHA, and Beta Club. She serves as a cheerleader and plays basketball on the varsity team. Some of her favorite hobbies are rodeoing, dancing, skiing and swimming.

Rickey Hightower holds offices in the Sr. Class and FFA. He plays football and runs track. He enjoys water skiing, weight lifting, hunting, horseback riding and showing livestock.

Patricia Burns holds offices in Choir, Beta Club, FHA, and Senior Class. She enjoys sewing, playing the piano, and singing.

David Cox enjoys playing basketball and running track. He is an active member in the band, participating as an officer and in solo events.

Russell Brown enjoys playing basketball and tennis at school and in his off time. He is also an active member in the band. He enjoys fishing and rock collecting.

HONORS

Among the most coveted honors at Klondike is the selection of the personalities. All of these are selected by the student body except the top five. These students are voted on by the faculty.

Dedication

This year we want to dedicate the 1978 Cougar to someone very dear and special to all of us, our parents. Honoring our parents for their love, understanding, and guidance over the years is an extreme pleasure. Thanks to each parent for your encouragement and support in every project we have undertaken.

Words can never truly express our appreciation or our love, but hopefully, our lives in the future will be a credit to the faith and trust you placed in each of us.

Today

Take time to remember
yesterday and the things
that made us what we are
today.

Take time to look toward
tomorrow and what the
future holds.

But most important
take time to live today
for yesterday is past
and tomorrow may never
come.

The Odd Couple

Did somebody lose their gum or was it a bird?

Diane at her best!

You should've seen the size of that mosquito!

Do we really have to thank Mr. Logan?

Time flies when you're having fun!

Is that really Mr. Cope and Mrs. Logan?

Cheerleaders doing Dolly Parton imitations!

Is it spirit or flies?

We've been here two hours! Looks like one girl would notice us.

How do you type the Playboy centerfold?

The field house will be finished when?

Tommy was awarded for doing his thing! (???)

Rickey are you really putting her clothes ON?

Mary, I can't believe you swallowed that!

Four score and seven years ago.

I recognize Coach Landry, but who's the dummy in the hat?

Is that a fish I smell?

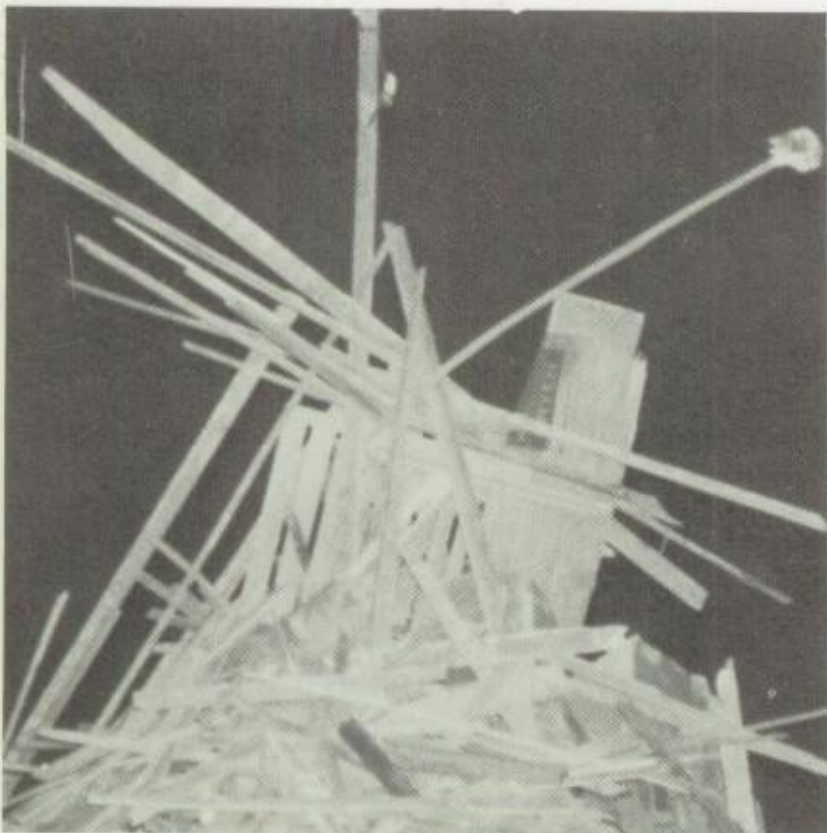

Dolly Parton

Eat it or else!

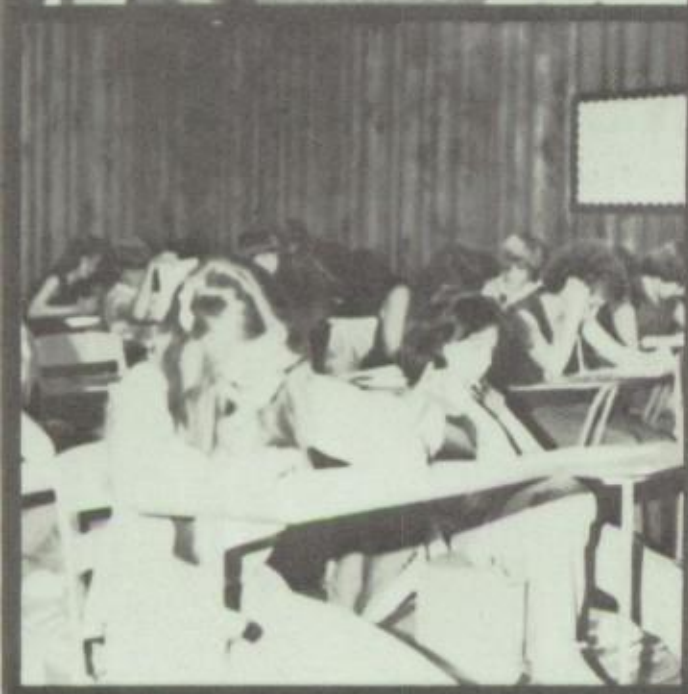

Don't look now girls, but I think the school is on fire!

Home office of Knox, Gailey, and Meador.

Eat your heart out Lawrence Welk!

JUNIOR HIGH

Looking back on the fun and games of elementary school and looking forward to high school, junior high students are in a different atmosphere where they are involved in new ways of learning and in various sports.
